

Job Listing:

Plant Production Team (Summer Crew)

Posting Date: May 25, 2023

Position open until filled.

Ernst Seeds, Inc., the largest distributor of native grass and wildflower seeds in the eastern United States, has Plant Production Team (Summer Crew) opportunities at our expanding Meadville, PA facility.

Duties include: Transplanting, hoeing/spot spraying, hand harvesting seed, and other field work and manual labor as needed.

Qualifications include:

- A positive attitude.
- Ability to work in a team environment.
- Stamina to operate a hoe for an entire day.
- Capable of repeatedly standing/crouching.
- Ability to work outdoors in varied conditions (cool, hot, dry, humid, rainy, etc.).
- Ability to carry 50 pounds a distance of 50 yards without stopping.
- Good written and verbal communication skills, such as understanding oral and/or written instructions and speaking up when you do not, etc.
- Ability to remember how to handle the materials/equipment assigned.
- Ability to remember the difference between a crop and a weed.

The 6 - 12 weeks many summer crew members work is a short time that is as pleasant as its members make it.

Note: All employees may be called on to perform other tasks not noted in their job descriptions in order to improve our efficiency and customer service.
