**Seeding Rate:** 15 lb per acre with 30 lb per acre of a cover crop (grain oats, Jan 1-Aug 1; grain rye, Aug 1-Jan 1)

Grasses & Grass-like Species, Herbaceous Flowering Species, Mixes, Pollinator Favorites, Uplands & Meadows

Contains species that deer typically do not find palatable. It is not guaranteed that hungry deer will not eat the species in this mix, but these species are normally not preferred. Mix formulations are subject to change without notice depending on the availability of existing and new products. While the formula may change, the guiding philosophy and function of the mix will not.
