| <b>100.00%</b> |                                                 | <b>Mix Price/Lb Bulk:</b>                     | <b>\$12.58</b> |

**Seeding Rate:** 30 lb per acre

Grasses & Grass-like Species, Mixes, Woodland Openings

The shade-tolerant grasses and legumes are ideal for over seeding log landings and bioengineering sites. Mix formulations are subject to change without notice depending on the availability of existing and new products. While the formula may change, the guiding philosophy and function of the mix will not.
